Struktur sidebar ERP (sesuai /admin): Dashboard | Marketing (SO, Outstanding) | Fulfillment (Delivery, Invoice, Reports) | Buku MRP (Production, QC, Packing) | Master Data (Customer & Brand, Harga, Item & Warna, Data Intelligent) | System (User & Role Access). Rencana Kirim tersedia sebagai route terkait Outstanding.

Catatan: Beberapa halaman (Quotation, Subcon Invoice, Journal, Accounting Mapping, Inventory, Special Prices) ada di kode tetapi tidak tampil di sidebar ERP UAT :8081. Inventory & shopfloor hidup di aplikasi MRP (port 8082).
